Description:

Wisconsin has over 200 lost, long ago, and nearly gone places. Why they began, why they faded or died encompasses many issues, many reasons. For Rhonda, her love of lost towns and long ago places began in northern Wisconsin, and in this book, she explores the stories and tales of Wisconsin's places of the past.

Very disappointed in this book, I really expected more based on the publicity article I had read. Northern Wisconsin counties are rich in logging and railroad history and it really doesn't seem like the author did much, if any, research. Some counties have only one entry and the information provided could be just as easily accessed from a web search. I would not have made the purchase if I would have reviewed it in a bookstore and would return it if the option was available. You can find my copy at the local Goodwill Store.
